

Groundwork Erie Green Team Application

Job Title: Green Team Member

Status: Part Time

Biweekly Pay: \$12 per hour; Previous Green Team Members start at \$13

Duration: June 10-August 23

Hours: MWF 10-3pm

Mission: Groundwork Erie, 501(c)3 organization, develops programming focused on place-making, urban agriculture, and climate resilience. In the Lake Erie Watershed, that means elevating those who are on the front lines of their neighborhoods directly into project planning and operational processes.

Job Summary: The Green Team is comprised of young people from the ages of 14-18. The Green Team is about environmental stewardship in a service paid program.

Duties and Responsibilities: This group of diverse leaders learn, connect, and educate through:

- Connection between urban neighborhoods and the natural environment
- Exposure to environmental education and outdoor extracurricular activities
- Building connections and community working with local organizations and businesses to support a greener Erie
- Leadership development: striving to reach leadership potential
- Urban agriculture, litter cleanup and vacant lot maintenance

Qualifications/Skills/Abilities:

- Good work attitude and be able to treat staff and other members with respect
- Be able to follow instructions and complete assignments
- Willingness to learn and actively participate in all activities
- Able to participate in moderate work which includes but is not limited to: cutting vines, pushing wheelbarrows, carrying tools and soil and removing trash
- Willingness to work outside during a variety of weather conditions i.e., hot, wet, humid or rainy
- Punctuality and reliability. Must give notice if will be late or missing a scheduled work day
